

## The Buchan Heritage Society - JOE AITKEN

We are saddened at the Buchan Heritage Society to hear of the passing of Joe Aitken. A very special Bothy Balladeer and a good friend to all who come to Strichen Festival each year in May, were he will be very sorely missed.

The image of the mandatory waistcoat , the Heritage Mural behind and Yellow on the Broom from the Microphone will bring lasting memories.

We send our heartfelt condolences to Pat and all the family and all his many friends.
